

# **GOLDEN GATE GOATS TANK TOUR**

March 22, Saturday at 1:00 pm

## **See over 150 Historic Military Vehicles**

Jacques Littliefield, the President and Founder of the Military Vehicle Technology Foundation, has invited our club to visit one of the largest and most significant collections of historical military vehicles in the world! Tanks, armored cars, rocket launchers, amphibious vehicles, reconnaissance vehicles, experimental vehicles and much more. Over 140 technically accurate and beautifully restored military vehicles in all, not counting other vehicles still in various stages of restoration--and you thought your project took up garage space!

## **Right in Our Own Backyard**

Incrediible as it may seem this huge collection is located just a short drive away, on Mr Littliefield's 470-acre Pony Tracks Ranch in the town of Portola Valley, just off Alpine Road and Interstate 280, near Stanford University.

## **No Cost!**

That's right, this event is absolutely **FREE** to all GGG Club Members, family and friends.

## **Agenda and Directions**

11:30 AM--12:30 PM Lunch (optional). Enjoy lunch with your fellow club members in the casual atmosphere of the Alpine Inn Restaurant. Have a full meal or grab snack and drink, either way Molly will be ready for us. Drinks and food are NOT ALLOWED at the Military Vehicle Technology Foundation. To get to Alpine Inn, simply take the Alpine Road exit off Interstate 280 and go west toward Portola Valley for about 2 miles to Arastradero Road. The Alpine Inn is at 3915 Alpine Road, turn left at the corner of Arastradero to enter the parking lot. Lunch is an option and is not hosted by the Club.

12:30 PM--12:45 PM The Golden Gate Goats will gather outside the Alpine Inn at 12:45 PM sharp, we will caravan from the Alpine Inn to view the collection. We will exit the restaraunt and then go left on Alpine about 1/2 mil to Los Trancos Rd and turn left. We follow Los Trancos for about 2 miles and turn left again on Ramona. About 1/2 mile up Ramona we come to Vista Verde where we make yet another left. After about 1/4 mile we come to Old Spanish Trail Rd where we turn left. At the end of the road, the security gates will open for us and as we go in to Pony Tracks Ranch, we keep to our right.

1:00 PM--3:30 PM We will be allowed to park free of charge in a secure, paved area in front of where our tour will take place. Then we will be given an indepth and behind the scene tour of the entire facility, escorted by the Foundation's staff member. The vast majority of the display is indoors, but it is a warehouse, so dress warm if it is a chilly day.
